Merit Contractors Association MVOS Access for EMPLOYERS - Issues

Receive the following error when logging into Employer Portal:

Access Restricted

Please login later. Portal is currently under maintenance. Billing is in progress.

[Logout](#)

- 1) **If you receive this error, the portal is currently unavailable because the billing process is currently running.**
 - Try logging in again later

Receive the following error when logging into Member or Employer Portal:

Access Restricted

You are not authorized to access member portal. If you require further information, please [contact your plan administrator](#).

[Logout](#)

- 1) **This message will appear when you are trying to sign into the Member portal when you are already logged into the Employer Portal (or vice versa). MVOS does not allow you to be logged in to both portals at the same time.**
 - Click on the [Logout](#) link, or
 - Close the portal you are currently logged into and try again
